Young Professionals & The Florida Center for Performing Arts & Education
Local YP Groups Unite to Help The Florida Center Reach Membership Goals

Goal: 500 members in 5 months!

Membership: Whatever \$ amount you can give! (Seriously)

Recognition: Permanent Recognition in completed Performing Arts Center

According to an online survey conducted by Tallahassee's Network of Young Professionals in 2007, 94% of young professionals would support/attend events if the community had a new Performing Arts Center.

And, the community at large agrees. A Performing Arts Center has been this community's number one cultural priority since the 1970s.

What can YPs do to make it real?

The Performing Arts Center recognizes how important a Performing Arts Center would be to YPs who live here now and YPs who would consider moving and staying here in the future. And, they've come to us for help! This is our opportunity to unite together and be a part of an exciting initiative for Tallahassee's future.

The Florida Center is working to meet fundraising and membership goals. The first priority is membership. The Florida Center is striving for 2,000 members. The first 1,000 members in each membership category will be permanently recognized in the completed Performing Arts Center.

How much does membership cost?

The real answer is whatever you can give. \$5, \$10, \$50 or \$500. Join demonstrate your support.

Charter Members

Those who contribute \$250 (or more)

PACT Members

Donors who contribute “seed” money – in any amount up to \$249.

YP Goal: 500 members in 5 months!

After talking with YP leaders throughout the community, The Florida Center is challenging YPs to sign up 500 members over the next 5 months.
